Aba, Abia State, Nigeria

Experience

Kreativ

7 years 5 months

Chief Nerd

January 2025 - Present (1 year 5 months)

Global

Overseeing tech ops at Kreativ.

Software Engineer

January 2019 - Present (7 years 5 months)

My brand.

Innovation Growth Hub

Software Engineer

January 2024 - Present (2 years 5 months)

Aba, Abia State, Nigeria

Crunchies Fried Chicken Limited

Fullstack Developer

April 2024 - October 2024 (7 months)

Aba, Abia State, Nigeria

I took the lead on this project, completely redesigning the UI to make it more intuitive and visually appealing for users.

Using my skills in Next.js and Tailwind CSS, I built a responsive, fast-loading site and integrated the Google Maps API—adding a feature that lets users pick their delivery location and find nearby Crunchies outlets with ease.

Hackmamba

Technical Writer

March 2021 - September 2024 (3 years 7 months)

Delaware, United States

In this role, I:

- Created, reviewed, and edited technical content.
- Built product demos.

- Organized hackathons and reviewed community submissions.

Truparse

Junior Software Engineer

February 2021 - July 2021 (6 months)

Lagos State, Nigeria

- Worked in a team to create innovative apps, using agile methodologies for efficient project management.
- Gained expertise in TypeScript, React.js, SASS, and CSS.
- Used Git for version control, ensuring smooth collaboration and code tracking.
- Developed custom CSS code for WordPress sites.

PAYVEST GLOBAL

Frontend Developer Intern

October 2020 - January 2021 (4 months)

Port-Harcourt, Rivers State, Nigeria

- Contributed to codebases using HTML5, React.js, and CSS. Utilized Git for version control and followed modern frontend development practices.
- Collaborated with senior developers, receiving commendations for CSS skills that accelerated project development within two months.
- Built websites for company products in WordPress.
- Gained experience with Bootstrap and SASS for responsive design and styling.

Education

Michael Okpara' University of Agriculture Umudike

Bachelor of Science - BS, Mathematics · (September 2018 - December 2022)
